____ AUTOMATIC Credit Card Monthly Payment – Check here if you would like to authorize West Tampa Dance Company to automatically charge your card with monthly tuition and other fees. In order to stop this option, WTDC must receive written notice before the first of the month, or your card will continue to be charged.

***All tuition and fees are due by the 1st of the month. If not received by the 7th of the month, a $15 fee per dancer will be added on. If not received by the 10th of the month, your child will be asked to sit and observe the class until the fees are paid. Student's with accounts more than a month past due will not be allowed into the classroom until the account is made current. There will be a $35.00 fee assessed for any returned checks. Tuition and registration fees are not refundable and classes are not transferable. Make-up classes for a missed session may not be provided if the correct level is unavailable (instructor's discretion). Full tuition is due up front each month.**

I understand that I am responsible for monthly tuition and fees until written notification of termination of membership to WTDC is received (before the 1st of the month).
